

COVID-19 Update

ALBANY, N.Y. - In accordance with the guidelines of the World Health Organization (WHO), New York State Department of Health (NYS DOH), Centers for Disease Control (CDC) and Albany County Health Department regarding the unprecedented COVID-19 pandemic, the Albany Capital Center remains closed until further notice.

The Albany Capital Center sales and event staff continues to work with our existing and new clients to accommodate events previously booked for this time to be held on alternative dates later this year or next year. In addition, we continue booking new events for the coming months and years.

During this time, working rules allow, the Albany Capital Center will be moving forward with planned facility maintenance and upgrades originally scheduled for fall 2020. The repairs will include deep cleaning and disinfectant measures as well as minor facility upgrades. The Albany Capital Center looks forward to the opportunity to welcome its clients, visitors, guests and staff back in the near future.

As we continue to monitor the COVID-19 situation, please check our website for event schedule changes as well as updates as we navigate this health crisis.
